

Our kits are designed to be compatible with the current revisions of standard products. To help us provide the most accurate repair kit for your Premier product, please provide the serial number and/or lot code of the units for which you are purchasing a repair kit. This information helps our team confirm compatibility with your specific model and revision.

For guidance on the most suitable repair options for your product, please contact a sales representative

SOFT GOODS KIT (SG KIT)

Replacements for all plastic and elastomeric components.

REBUILD KIT (VS KIT)

Replacements for all plastic and elastomeric components alongside all other components prone to wear.

Sub-assemblies are pre-assembled and tested whenever possible.

PLEASE NOTE:

**SOME KITS WILL REQUIRE SPECIAL TOOLS.
TO INQUIRE ABOUT/PURCHASE TOOLS NEEDED FOR YOUR ORDER,
PLEASE CONTACT A PREMIER SALES REPRESENTATIVE.**
